Purpose

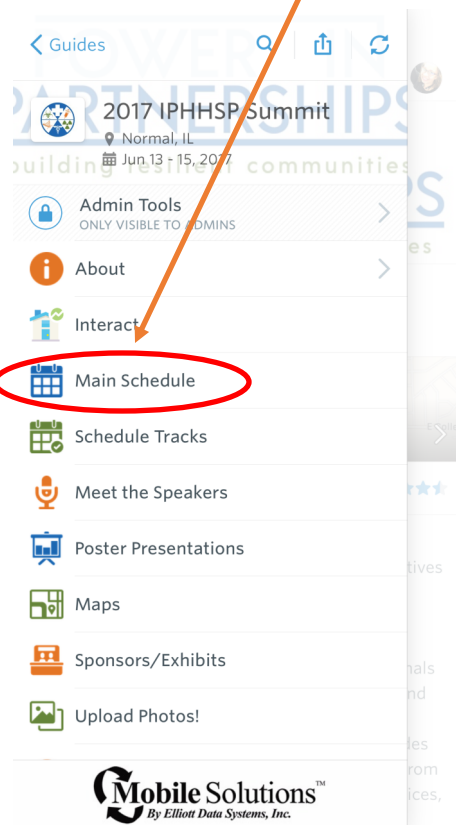

To enable the learner to enhance planning initiatives and solve community preparedness issues.

Target Audience

This summit targets multidisciplinary professionals that coordinate and collaborate to prepare for and respond to emergencies of public health and medical significance. The target audience includes personnel at the federal, state, and local levels from public health, hospital, emergency medical services,

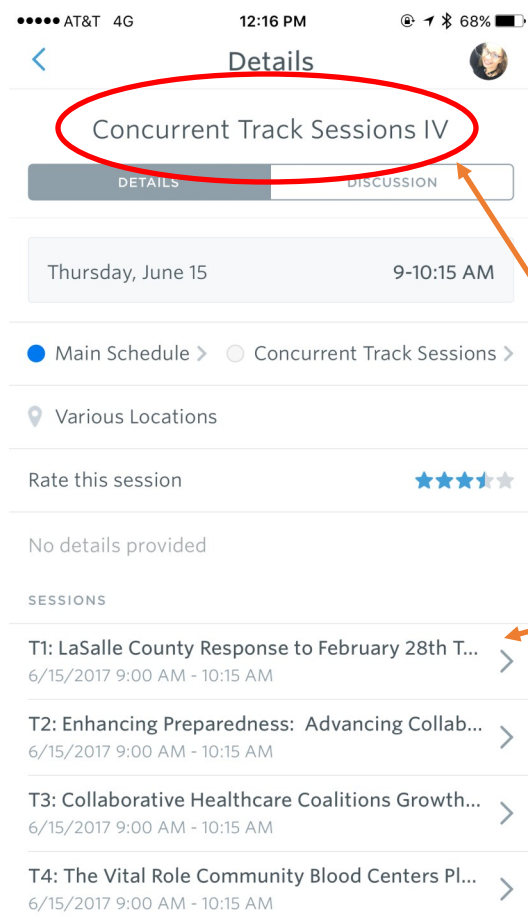

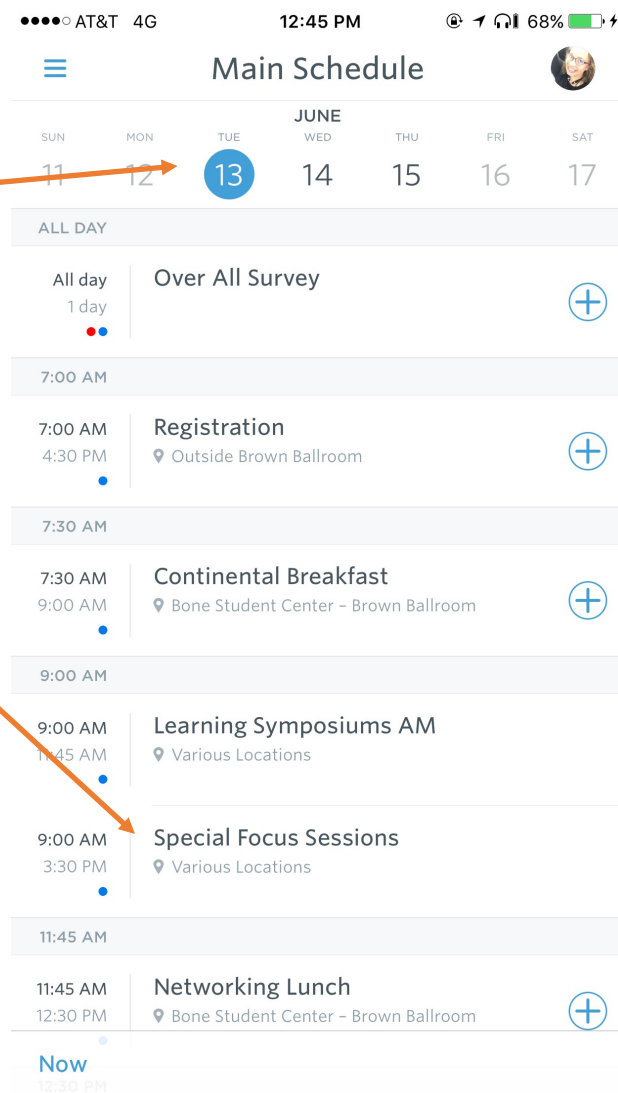

This will be the homepage of the **app**.

Up at the top left corner there will be a drop down menu. There you will be able to select the main schedule.

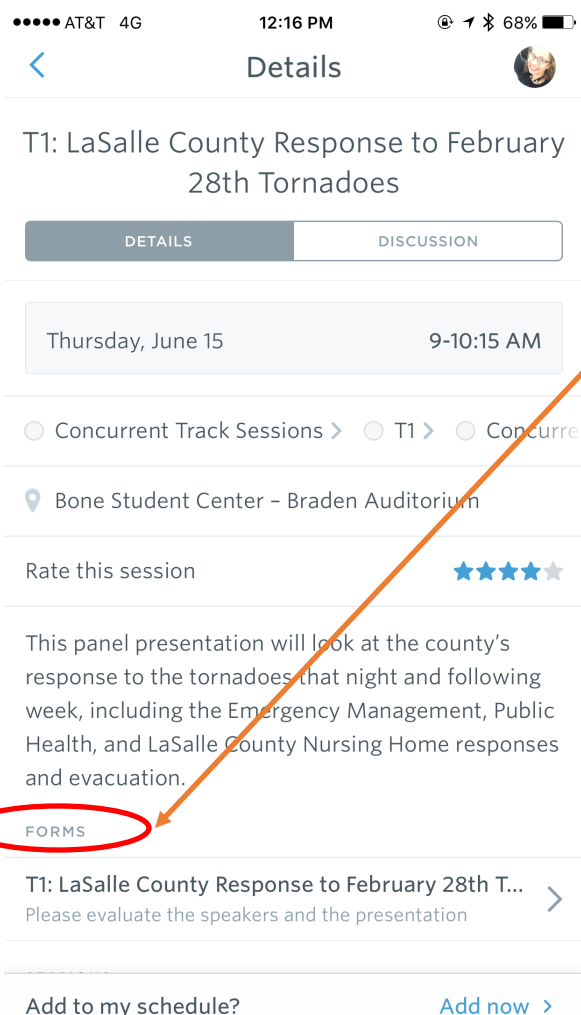

On the main schedule you can select the sessions you attended.....

by selecting the day ...

Then, select a track which will lead you to a list of sessions.

Please select the session you attended. You will be directed to a description of that session as well as the survey.

There are multiple sessions for each track. Click on the one you attended and you will be able to access the survey for that session under FORMS which is circled in red.

Click the survey under forms. This will allow you to complete the survey for that session only. You will need to complete the survey the same way for all sessions you attended. You are only allowed one submission per session.

This will be what the survey looks like, mostly multiple choice.

VERY IMPORTANT

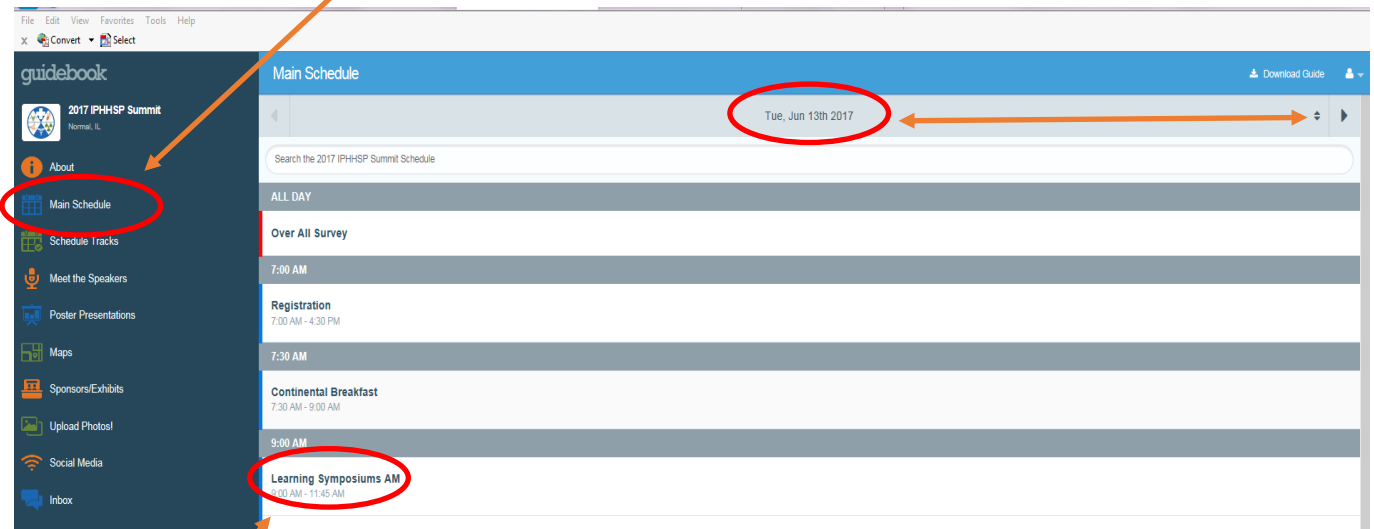

please be sure to put your name and email **before** hitting submit. It will only allow you to submit the survey **once**.

You will need to complete a survey for **EACH** Individual session you attend.

If you do not plan to use the app you can use the link provided for web– based access to the guide. <https://guidebook.com/guide/94396/>

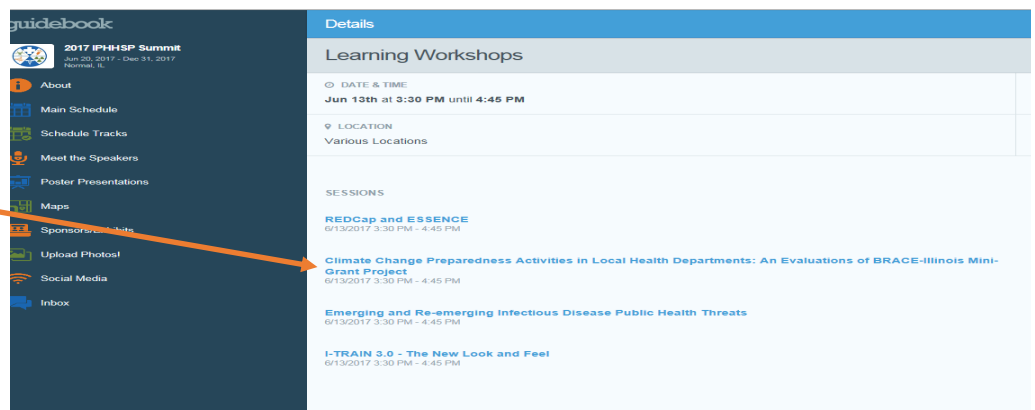

You do not have to create an account.

You will be directed to the page below. Select main schedule to the left, then be sure to select the day of the session you attended (Circled in red, the arrow points to a drop down box that allows you to select the day).

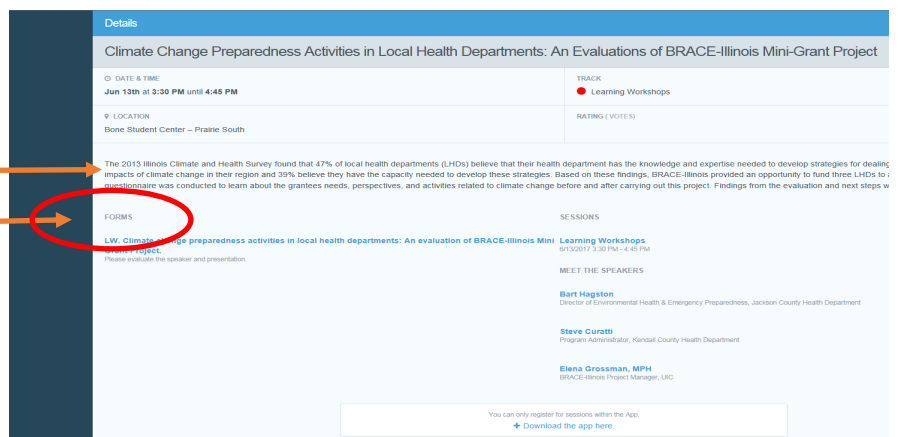

Select your track

Then select the session you attended from the list of sessions.

You will be directed to a de-
scription of that session.

Under **forms** you will find the
survey. Click here to access the
survey for that session.
