

# BONE STUDENT CENTER

*Illinois State University*

Self-service steps to the wireless network:

1. Connect to the "isu-guest" wireless network.
2. Once connected, open a web browser and this will automatically take you to the "GuestNet" web page.
3. Click "Request an Account."
4. Enter your first and last name and cell phone number and this will be used to text a password to the user.
5. Read and click the check box to accept the terms of use.
6. Click Register.

You will see a web page that says, "Visitor Registration Receipt," and you will be presented with your full name, your account username (which is your cell phone number), account activation time and date, and the account expiration time (good for current day only). There will also be a link to the "GuestNet" login page.

You will also receive a text message with the account information mentioned above, as well as your numerical password.
